

Holiday Sprouts

Happy Holidays to all my Sprouting Chefs! Sprouts is so excited that the Holidays are finally here and what better way to celebrate than by getting together with some of our favorite little cooks and having a jolly good time cooking together!

Here's What We Are Cooking Up for Your Sprouting Chef This December!

Mini Elf on the Shelf Food

Sunday, December 6th - 11:00-1:00

Does your Elf on the Shelf ever run out of magic and need a little extra treat to help him or her fly back to Santa at night?! Come join us in the Sprouts Kitchen as we whip up some pint-sized treats for your elf! Your little elf will absolutely love them and they are sure to get you on the nice list for Santa!

Holiday Treats Class

Monday, December 21st - 11:00-1:00

Join us in making traditional holiday treats! We will be making cocoa served two ways...hot and frozen! We will top it off with simply adorable marshmallow snowflake cut-outs! To round out the class we'll be making holiday bark and ice cream cone Christmas trees that the kids (and parents) are sure to love!

Happy Holidays my Sprouting Chefs! What a wonderful year 2015 has been! So grateful we get to cook and celebrate together before the holidays!
